Dear Mrs Dack,

Maldon Food Pantry Thank You

This is just a little note to say thank you for all your support in the last year, especially for the generous donations of your Harvest Festival food collection.

With your kind support and donations we have now been able to donate over 12000 food parcels to families and individuals in our area.

Thank you again and please do not hesitate to contact me if your need any further information.

Yours Faithfully,

Rob Sefton
